(b) A comprehensive proposal seeking Department for International Development (DFID)'s assistance was received from Govt. of Orissa for modernizing and reforming the land administration system in the State. The project costing about Rs. 623.07 crore aims at strengthening the land administration through the introduction of comprehensive reforms of land tenure including titling, cadastral survey & settlement operations using hitech technology, land registration transactions through modern technology and streamlining the Revenue Laws. The key activities envisaged under the project are high tech survey & digitization of maps for development of Land Information System Management, infrastructure development, training and capacity development of revenue personnel, issue of computerized Land Pass Book etc. The project is to be implemented over a period of six years in three phases, each phase consisting of a period of two years. In the 1st phase the unsurveyed areas in eight KBK Districts viz. Kalahandi, Nuapada, Bolangir, Subarnapu, Koraput, Nawrangpur, Malkangiri and Rayagada are to be covered under the project. The Ministry of Rural Development had recommended the proposal to the Ministry of Finance which also recommended to DFID to grant Rs. 244.23 crores in the 1st phase.
